FOR IMMEDIATE RELEASE

Commissioner on a "Fact Finding" Mission

**MD INSURANCE COMMISSIONER ALFRED W. REDMER, JR.
TO MEET WITH OCEAN CITY CHAMBER OF COMMERCE**

BALTIMORE, MD (July 7, 2003) -- Maryland Insurance Commissioner Alfred W. Redmer, Jr. will be in Ocean City on Wednesday, July 23, meeting with the Ocean City Chamber of Commerce in room 201 of the Ocean City Convention Center, from 9 a.m. to noon. The public is invited.

"The purpose of my visit," Commissioner Redmer said, "is to meet with members of the business community and members of the insurance community to hear what their concerns are when it comes to insurance. As Insurance Commissioner, I am committed to making sure there is adequate access to a variety of insurance products for all Marylanders. This is particularly critical in coastal areas such as Ocean City and other parts of the Eastern Shore."

"I know the availability and affordability of insurance has been an issue for people in this area and that's why I want to hear from citizens, business owners and insurance brokers about what their needs are," the Commissioner added.

Although this meeting is open to the public, reservations are required. To make a reservation call the Ocean City Chamber of Commerce, 410-213-0144.
